B I O G R A P H I E S

DR. DEREK RAYNE
Dr. Derek Rayne (Derek de Lint), gifted psychic and precept of the San Francisco Legacy House, has dedicated his life to the Legacy's fight against evil. Now, however, the very foundations of his faith will be shaken as he faces the darkest of threats... from within the Legacy itself. Truths Derek once held sacred will be revealed as lies, and it will take all his strength to resist the forces of darkness.

DR. RACHEL CORRIGAN
Now a full member of the Legacy, psychiatrist Rachel Corrigan (Helen Shaver) faces greater challenges than ever. Her dedication to science is not the only thing put to the test as Rachel's growing involvement in the battle between good and evil puts everything she holds dear at risk.

KAT CORRIGAN
Rachel's young daughter, Kat Corrigan (Alexandra Purvis), possesses psychic powers perhaps even more potent than Derek's. As her family bond to the members of the Legacy House grows, so too does the danger. But is the Legacy the cause of Kat's peril... or her protection against it?

NICK BOYLE
Nick Boyle (Martin Cummins) is a former Navy S.E.A.L. and son of a legendary Legacy member. Nick's healthy skepticism serves the team well, as does his bravery in the face of danger. Nick is always ready to dive into harm's way but the treacherous foes the Legacy will soon face may require sacrifices from Nick that no man should have to make.

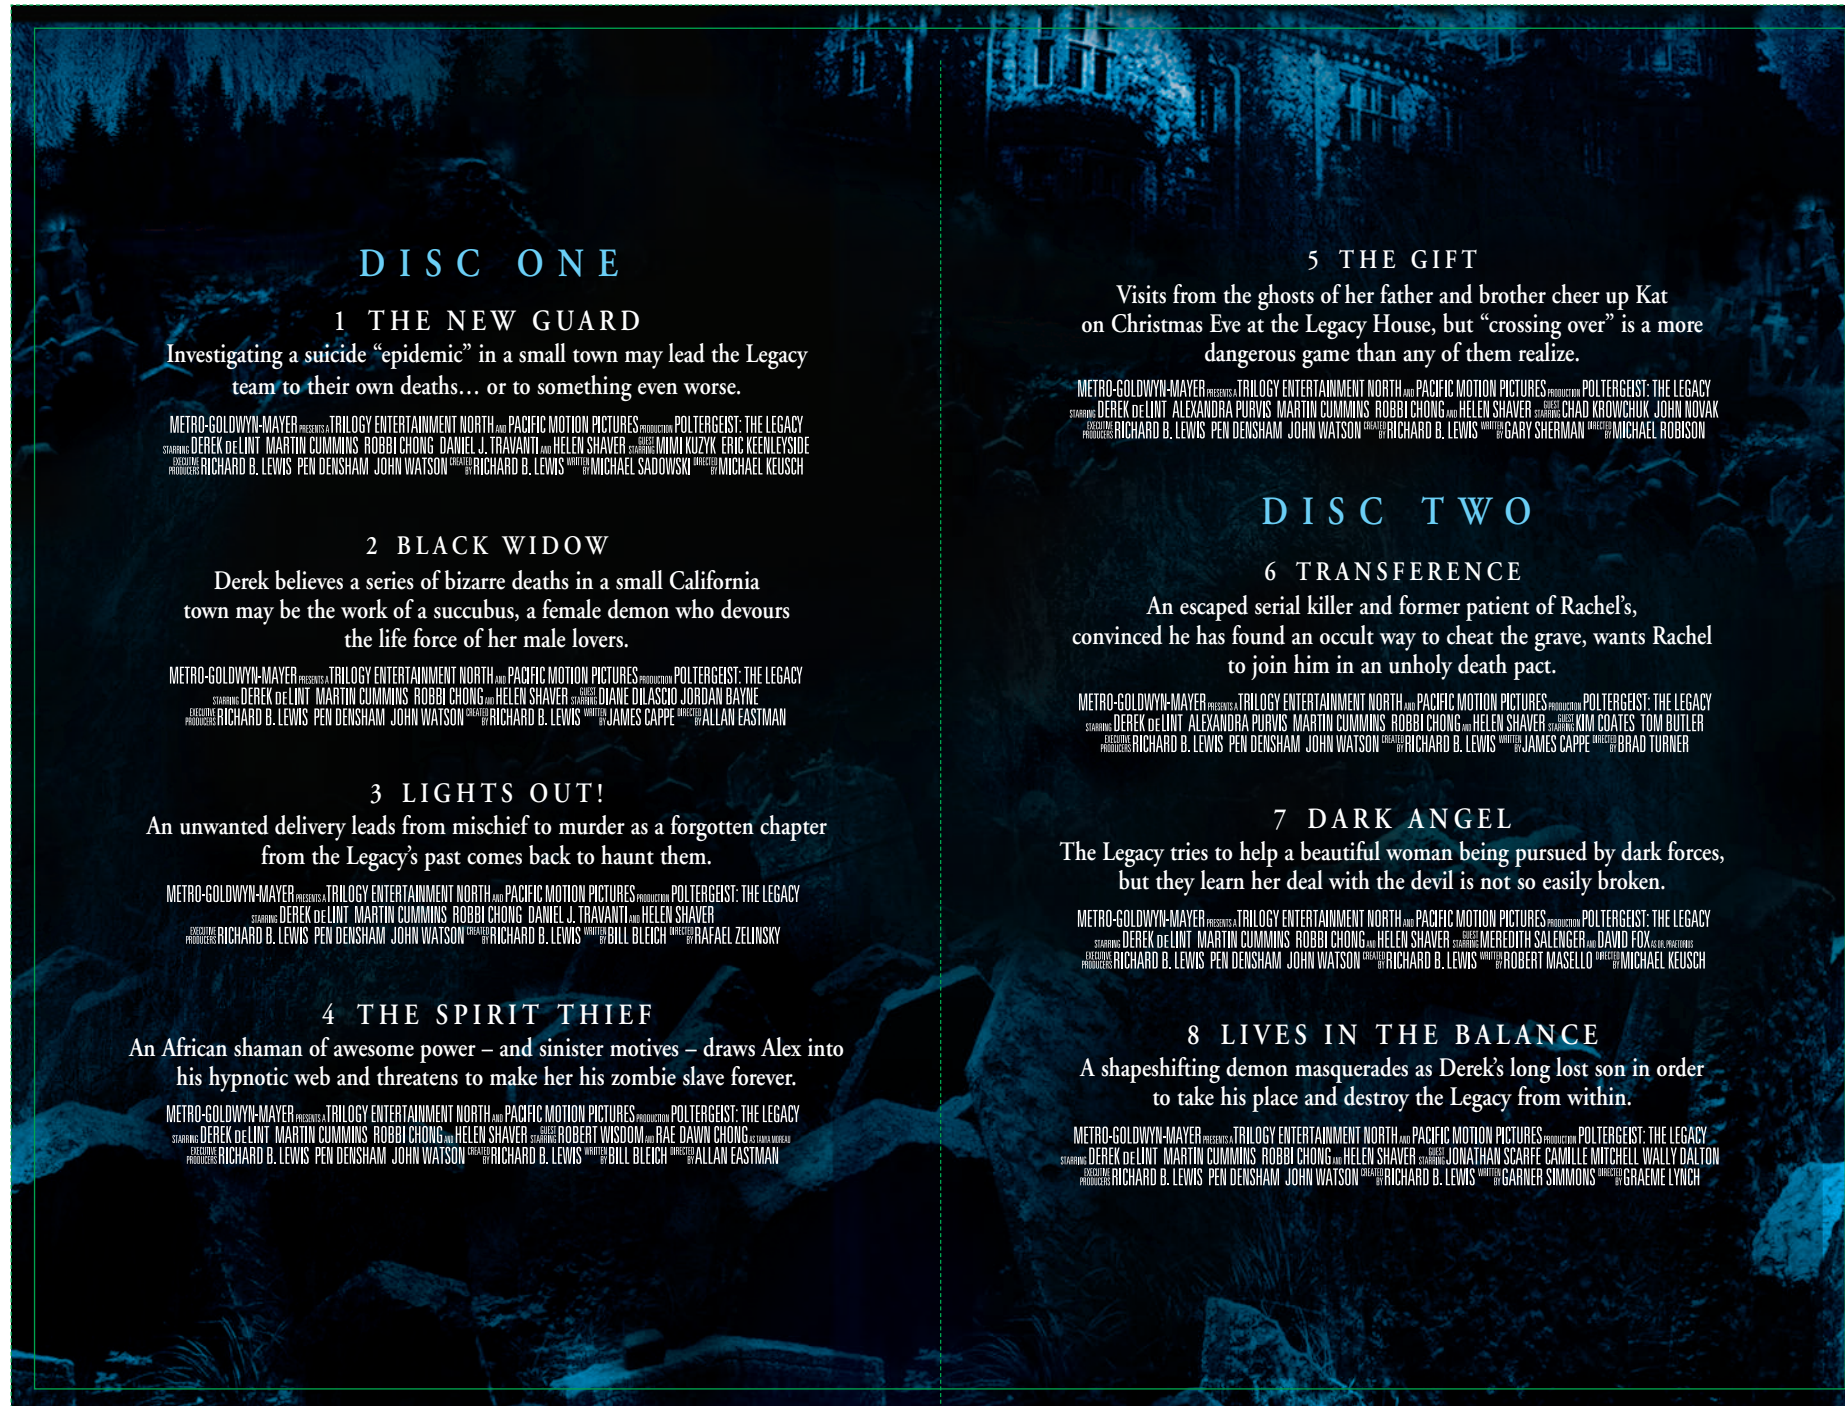

WILLIAM SLOAN
William Sloan (Daniel J. Travanti) is head of the ruling Legacy House in London and an old – but estranged friend of Derek's. Sloan's disapproval of Derek's methods leads him to take a more active role in the San Francisco House, but Sloan may also have an agenda all his own...

ALEX MOREAU
Alex Moreau (Robbi Chong) is a brilliant researcher and Derek's psychically gifted protégé. With her powers growing, Alex makes invaluable contributions to the Legacy's mission... but finds herself a target of those who would twist her abilities to their own dark ends.

FATHER PHILIP CALLAGHAN
Father Philip Callaghan (Patrick Fitzgerald) is a Catholic priest whose dual – and to him competing – allegiances to the Church and the Legacy led him to leave the San Francisco House. But when supernatural forces continue to plague him, Father Philip turns to his friends at the Legacy for help... an act which may prove to be their undoing.
