

Dear Person Who is Reading this DVD Package,

In the beginning... Television was dull. Then, God created Monty Python's Flying Circus and there was much rejoicing. Outrageously off-the-wall and side-splittingly funny, the Pythons revolutionized Comedy and changed the course of Human History. Now, through the miracle of DVD, you can watch the beautifully remastered, authenticated and utterly Complete First Series of this groundbreaking show, including such divinely inspired madness as "The Dead Parrot," "Nudge Nudge," and "The Lumberjack Song" (rumored to be God's personal favorite).

And in case the term "Complete First Series" wasn't enough, the people who designed this box felt the need make the front image out of scenes from every skit found in the first series. Show-offs.

So take it home, amaze your friends and satisfy that intense Python compulsion that has you in thrall. And all together now... "He's a lumberjack and he's ok..."

Sincerely,

That voice inside your head who talks when you read stuff
